Year In Review

This past year (2007) has been a great year for us thanks to you! We have many customers all around the world enjoying our scuba designs. Some of the countries our customers come from include: Ireland, The Canary Islands, France, Australia, Great Briton, and Japan. Of course we have many folks in the United States ordering as well.

We appreciate your business!

Posters

[We are now carrying Posters!](#) The current posters feature photographs from my latest trip to Palau and Yap! Our dive trips are magical adventures under the sea...and this is a great way to commemorate these adventures.
